IDENTIFICATION OF RIGHTS

The Complainant is the owner of the international registration 947686 „ArcelorMittal“ registered on August 3, 2007 in numerous classes, among them 6, 40 and being in effect.

FACTUAL BACKGROUND

The Complainant is the world largest steel manufacturing company and is the market leader in steel for use in automotive, construction, household appliances and packaging with 69 million tons of steel made in 2021.

The disputed domain name <arcelormitaal.com> was registered on March 30, 2023 and resolves to a website copying the Complainant's official website.

PARTIES CONTENTIONS

NO ADMINISTRATIVELY COMPLIANT RESPONSE HAS BEEN FILED.

PARTIES' CONTENTIONS:

COMPLAINANT:

The Complainant contends that the disputed domain name <arcelormitaal.com> is confusingly similar to Complainant's trademark „ArcelorMittal“ and the obvious misspelling is a characteristic of a typosquatting. The Complainant further contends that the Respondent is not affiliated with nor authorized by the Complainant in any way. The Complainant contends that the Respondent has no rights or legitimate interests in respect of the disputed domain name. The Complainant does not carry out any activity for, nor has any business with the Respondent.

Given the notoriety of the Complainant's trademark and its reputation, Complainant finally contends that the Respondent has registered and used the domain name with full knowledge of the Complainant's trademark.

RIGHTS

The Complainant has, to the satisfaction of the Panel, shown the disputed domain name is identical or confusingly similar to a trademark or service mark in which the Complainant has rights (within the meaning of paragraph 4(a)(i) of the Policy).

NO RIGHTS OR LEGITIMATE INTERESTS

The Complainant has, to the satisfaction of the Panel, shown the Respondent to have no rights or legitimate interests in respect of the disputed domain name (within the meaning of paragraph 4(a)(ii) of the Policy).

BAD FAITH

The Complainant has, to the satisfaction of the Panel, shown the disputed domain name has been registered and is being used in bad faith (within the meaning of paragraph 4(a)(iii) of the Policy).

PROCEDURAL FACTORS

The Panel is satisfied that all procedural requirements under UDRP were met and there is no other reason why it would be inappropriate to provide a decision.

PRINCIPAL REASONS FOR THE DECISION

In order to succeed in its claim, the Complainant must demonstrate that all of the elements enumerated in paragraph 4(a) of the Policy have been satisfied:

- (i) The disputed domain name is identical or confusingly similar to a trademark or service mark in which the Complainant has rights; and
- (ii) The Respondent has no rights or legitimate interests with respect to the disputed domain name; and
- (iii) The disputed domain name has been registered and is being used in bad faith.

A. Identical or Confusingly Similar

The Complainant has established the fact that it has valid trademark rights for “ArcelorMittal.

The disputed domain name is confusingly similar to the Complainant's mark since the addition of the letter „a“ doubling the „a“ by deleting one of two letters „t“ does not have a relevant influence on the similarity of signs, which remain phonetically highly similar.

The Panel therefore considers the disputed domain name to be confusingly similar to the trademark „ArcelorMittal“ in which the Complainant has rights in accordance with paragraph 4(a)(i) of the Policy.

B. Rights or Legitimate Interests

The Respondent has no rights or legitimate interests in the disputed domain name, since the Respondent is not a licensee of the

Complainant nor has the Complainant granted any permission or consent to the Respondent to use its trademarks or designations confusingly similar to its trademarks. Furthermore, the Respondent has no rights or legitimate interests in the disputed domain name, since there is no indication that the Respondent is commonly known by the name "Acelormitaal" or that the Respondent is using the disputed domain name in connection with a bona fide offering of goods or services.

The Panel therefore finds that the Respondent does not have rights or legitimate interests in the disputed domain name.

C. Registered and Used in Bad Faith

The Panel does not believe that the application of a domain name being highly similar to a distinctive trademark as the one from Complainant, and the website to which the disputed domain name is connected being a copy of Complainant’s website is accidental.

This Panel does not see any conceivable legitimate use that could be made by the Respondent of this particular domain name without the Complainant’s authorization.

The circumstances of this case, in particular the obvious typosquatting and the disputed domain name being connected to a website being a copy of Complainant’s website indicate that the Respondent registered and uses the disputed domain name primarily with the intention of attempting to attract, for commercial gain, Internet users to its potential website or other online locations, by creating a likelihood of confusion with the Complainant’s mark as to the source, sponsorship, affiliation, or endorsement of such website or location, or of a product or service on such website or location. The Panel therefore considers the disputed domain name to have been registered and used in bad faith in accordance with paragraph 4(a)(iii) of the Policy.

FOR ALL THE REASONS STATED ABOVE, THE COMPLAINT IS

Accepted

AND THE DISPUTED DOMAIN NAME(S) IS (ARE) TO BE

- 1. **arcelormitaal.com**: Transferred
