Experience with respect to IP / domain names

IP Attorney, advising and managing cases on trademark law, copyright, advertising law, unfair competition, trade secret, patent law. As an attorney at law, I represented clients in several court actions involving intellectual property rights. With reference to the domain name's field, I represented clients in over 60 cases, before WIPO, Czech Arbitration Court, Nominet, AFNIC, Camera Arbitrale di Milan, MFSD. Attended WIPO's workshops on domain names in 2017 and 2018.

Major Publications in the filed of domain name disputes:

"Does a Respondent trademark, corresponding to a domain name, automatically generate rights or legitimate interests under the 2nd requirement of the Policy"

(i) Darts-IP-
(ii) Darts-IP-

"Broad interpretation of the confusing similarity test under the First element of the Policy"

(iii) Darts-IP-" Domain names vs Trademarks in UDRP : who wins if a domain name is created before the registration of a trademark?"

(iv) Sprint-Sistema Proprietà Industriale- "Domain names, between freedom of expression and distinctive character of trademarks in domain name disputes"

Membership in professional bodies

Italian Bar Association
