### Languages

**English, Serbian, Croatian, Russian, Ukrainian, Polish**

### Experience with respect to IP / domain names

International IP and Trademark consultant based in Belgrade, Serbia, partner and founder of "Motsnyi Legal". Igor is focused on international trademarks, domain names and online brand protection. Igor has over 22 years of experience in international IP, TMs and Domain Names. Assists clients in IP matters including global TM prosecution, IP disputes, UDRP proceedings and projects in the area of brand protection. Manages international IP projects in various jurisdictions, including CIS States, EUIPO, countries in Europe (both EU and non-EU), the US, countries of Latin America and countries of Africa. Recommended by "BestLawyers"(R) for IP and IT, recommended by "WhosWhoLegal" for IT law and by "WTR-1000" for TM enforcement. Igor first worked in IT companies as inhouse counsel and later as associate and counsel in leading international (US and UK) law firms for about 10 years. Igor started his own international IP consulting firm in Belgrade, Serbia in the end of 2010 and has been running "Motsnyi IP"(dba "Motsnyi Legal") since then. Igor Motsnyi is a regular speaker on TMs and domain names at various international events.
